## 1. Introduction

This document reports the third QAC meeting of the Erasmus+ Capacity Building in the Field of Higher Education project „Strengthening of master curricula in water resources management for the Western Balkans HEIs and stakeholders“ (SWARM), held on-line as the first on-line meeting using Zoom platform as a tool for the meeting, on the 15th of April 2020. The meeting was chaired by Milan Goci (UNI).

The purpose of the meeting was to discuss improvement of quality measures and dissemination activities. PWMC VV representatives didn't take part into this meeting.

The meeting agenda was adopted without changes.

## 2. Quality Assurance Committee meeting

### Speaker:

Milan Goci , University of Nis (UNI)

Zakhar Maletskyi, Norwegian University of Life Sciences (NMBU)

### Summary:

Meeting started at 13:00 after the SC on-line meeting.

Milan Goci opened the meeting saying that the quality is one of the important pillars of Erasmus+ projects and we should do more in achieving the best results. Zakhar Maletskyi talked about quality measures and improvement of dissemination activities.

Quality assurance can be achieved through:

- Ø QA11 - Questionnaire on the work package assessment
- Ø External evaluation of the project outcomes by external evaluator
- Ø Internal cross-evaluation of the project results and session for providing suggestions
- Ø Online cross-project evaluation (like we (NMBU) did between WaSo and WHE+ but totally online)
- Ø Review/feedback from potential employers of curriculum and catalog of competences
- Ø Survey of students for new MSc program – interest to participate in the new program
- Ø Students' satisfaction survey on lab works using new lab equipment: how it changed learning process in the lab

Target groups can be informed via:

- Ø On-line distribution of created promotional material and results
- Ø Press releases for media
- Ø Facebook promotion – “Throw back in time”
- Ø Distribution of third newsletter to SWARM partners and stakeholders (collecting the list of potential stakeholders)

The next meeting is planned to be organised in September 2020.

The QAC meeting finished at 14:00 h.
