Date	26.10.2020
Place	Faculty of Civil Engineering, University of Sarajevo
Author	Emina Hadžić, Ammar Šarić
Institution	UNSA
Title	Promotion of student enrolment

Description:

On 26th October 2020 in the premises of the Faculty of Civil Engineering University of Sarajevo, promotion event for student enrolment on the master studies in the field of Hidrotechnics and Environmental Engineering, has been held, which have been modernized within Erasmus+ SWARM project. The promotion was conducted by vice dean prof.dr Mirza Pozder, prof. dr. Emina Hadžić and Ammar Šarić, MA. During the promotion modernized study programme was presented, which educate future engineers in the field of hidrotechnics and environmental Engineering. During the study period this study programme offer educational content with new knowledges, modernized and new subjects, aligned with the best practices in EU, which should provide specific competencies for future graduate students. Also, students will have opportunity to work with the state-of-the-art equipment in laboratory established within SWARM project. Because of the situation with Corona virus promotion has been held with compliance with all foreseen safety measures and with limited number of attendees.

During the promotion leaflets and brochures with detailed information about study programme were distributed to participants. Also, it was emphasized that students will have opportunity to gain practical knowledge in EU partner Universities within SWARM project, in order to gain higher quality of knowledge and competencies in the field o managing water resources.
