Event description:	
<p>As a part of the WP 6 Dissemination and exploitation, University of Nis (UNI) in collaboration with the civil engineering Cluster Dunder has organized a dissemination event related to the promotion of Erasmus+ projects. The event was organized on 26th May 2021 and lasted from 11 h to 14:30 h in line with the previously prepared agenda.</p> <p>The participants of the roundtable were representatives of 10 institutions from non-academic and academic sector: Faculty of Civil Engineering and Architecture, Faculty of Electronic Engineering, PSG Inženjering, Gramont Inženjering d.o.o., Trion Hydroconsulting, Vagre ING d.o.o., Cluster Dunder, IPI Inteoprojekt, IRC "Alfatec", Gymnasium Knjaževac.</p>	

University of Nis

Strengthening of master curricula in water resources management
for the Western Balkans HEIs and stakeholders

After the welcome speech provided by Prof. Dr. Đorđe Đorđević, coordinator of the Cluster Dunder, Ms Biljana Avramović, Cluster Dunder, talked about how to prepare a good project proposal. Cluster Dunder has been a coordinator or partner at a few national and international projects.

At the meeting, participants were introduced with the main objectives and achieved results of the several Erasmus+ projects: NatRisk, SWARM, SMARTEN, INNOWAT and MEET. The projects are related to the capacity building i.e. capacity building of higher education (CBHE), strategic partnership, and Jean Monnet module.

Milan Gocić explained to participants the structure, the outcomes and future activities of ongoing projects.

Participants expressed the interest for new study programmes and digitalisation applied in the civil engineering sector.

The final remarks were regarding the possible cooperation with present companies and UNI for potential internship programmes for UNI students and other projects concerning water and civil engineering.

The roundtable finished at 14:30.
